

CALIFORNIA HUNTER EDUCATION COURSE

COURSE OUTLINE

Instructor: John Borba, work phone 868-6216
Email: jaborba@ucdavis.edu

This course covers the information required to take the California Hunter Education test and obtain your hunter education certificate. The three class sessions will take place at Second Amendment Sports. Students should bring a writing utensil and paper to each class. Register for the course at Second Amendment Sports, Bakersfield.

At the end of this course, each student is expected to demonstrate proper safety procedures with firearms and pass the written exam with a minimum passing score of 80% or better. Failure to pass the written exam prohibits the student from obtaining his/her hunter education certificate, and she/he must retake the entire course. State law requires each student to attend every session. Missing one or more class sessions automatically drops the student from the course. Being tardy for class is also grounds for dropping a student.

A parent or legal guardian must fill out the State registration card for the course. Grandparents, aunts, uncles, etc. are not acceptable unless they are legal guardians. You can fill the form out prior to class or attend the first class and fill it out then.
